Blues on Parade Inspectors Rate ROTC Unit 'One of Nation's Outstanding'

"In the opinion of the AF-ROTC Inspection team, the University of Omaha unit is one of the outstanding Units in the nation." This statement sums up the report of the Federal Inspection held Monday in the stadium. In addition to the "superior"

rating given the men, the visiting inspectors reported that the "Angels Flight has done a particularly outstanding job for both the AF-ROTC and the University."

The parade climaxed four days of Air Force activities at the University which started last Friday with the Military Ball held at Peony Park.

The medal for "the Cadet who has displayed the most inspiring example of decisiveness, initiative, and resourcefulness" was awarded to Cadet Major Frank Schuchart.

Plans for Ma-ie Day Nearly Done; Council Changes Parade Route

"All plans are progressing smoothly" for the 19th annual Ma-ie Day celebration next Friday, reported Ma-ie Day Chairman Syntha Judd.

The day will start with the traditional breakfast in Elmwood Park. Chairman Mary Cosford said breakfast will be in the cafeteria if the weather is cold or rainy. Tickets are on sale in the Ticket Office today for 65 cents.

Princess Attira XIX

Presentation of Princess Attira XIX will be made immediately following breakfast. Student Council President Ray Hampton will present the 1953 winner with a bouquet. The Princess and her attendants will ride on the Student Council float in the parade at 10:45 a. m. All floats are to assemble at the Fieldhouse parking lot.

Parade chairman Larry Brehm announced a new parade route. Forming at the University, the parade will go down Dodge Street to Forty-second, then south to Farnam; down Farnam to Thirteenth, and south on Thirteenth to "L." From there the parade will go west to Twenty-fourth, south to "Q," and west on "Q" to Sixtieth, then north on Sixtieth to Elmwood Park.

Car Entries Slow

Brehm said Wednesday registration of decorated cars has been "unusually slow." He urged all students to enter the parade. A \$1 fee is to be paid when the student registers.

Student cars will not be allowed in the upper and lower South lots, the University's East Drive, or the Fieldhouse lot and drive after 7 a. m. Ma-ie Day.

Cars in the parade will form on the Elmwood Park drive parallel to the East Drive. Brehm said any cars not in line at 10:45 will not be allowed to join the parade.

He said cars should enter Elmwood Park from Happy Hollow Blvd.

Skits Begin at 1:15 p. m.

Tribal skits will be presented in the auditorium at 1:15 p. m. Chairman Joan Willey said eight organizations will perform. Dr. Edwin L. Clark is faculty adviser; Dick Smith is stage manager. Charley Simpson will emcee the show, and Jack Irwin's combo will entertain between acts.

The traditional dance at Peony Park will begin at 9 p. m. The all-University dance is open to the public. Admission is by activity ticket or \$1.20 for a non-student guest. Hampton will announce the winners of the float, car and skit competition during intermission.

Pictures in Window

Phyllis Wilke is in charge of publicity for the day-long holiday. Pictures of the Princess candidates will be in the bookstore window next week. The Princess was elected during Council elections Wednesday.

Float Meeting Monday

A meeting of all float chairmen will be held in Room 350 Monday. Each organization must have a representative there if they wish to be in the parade.

OU Students Run KBON

Harold Winslow has been named the student coordinator of the sixth annual KBON Day presented by Omaha University radio and television personnel, on May 16.

Thirty OU students will take over the writing and announcing chores at the studios of radio station KBON.

The staff of the campus radio station, KWOU, are responsible for the broadcasting work while the members of the Radio and TV News Writing class will prepare the newscasts.

"Apartment 301," a half hour dramatic show, will be presented by the speech class as a special program during the day. Also a 30-minute musical show is being planned with Irvin Jones in charge of the presentation.

The students will plan the programs, deliver the newscasts, and announce the regular shows, from 6 a. m. to midnight.

Future Teachers: File Credentials Application

Graduating seniors, who intend to teach next year, should file an application for teachers credentials as soon as possible. The applications can be picked up at the placement office at any time.

The credentials contain vital information of past schooling as well as references and are used when applying for a position. Although there are now more vacancies than ever before, very few students have submitted applications.

Any students desiring summer employment should inquire at the placement office immediately. There are never enough jobs to fill the demand of students wanting work.

A Civic Attitude

The Student Council has announced a new route for the Maie Day parade which includes the South Omaha business district. In past years, South Omaha businessmen have asked Maie Day officials to parade in the area. Lack of time and interest continually defeated their proposal.

This year's Council, when considering the idea, decided it was time South Omahans, who have supported OU financially and have contributed many students to enrollment, should see a concrete example of their investment.

The entire parade of professional-looking floats, decorated cars and jubilant students will show South Omahans they are supporting an expanding University.

The Gateway wholeheartedly supports the Council's actions and commends the group on its civic attitude.

Women Flyer of Year Tells Coeds to Ignore Air Qualms

"Fly, but keep your femininity" was the advice given to OU coeds last week by Arlene Davis, veteran woman pilot.

Mrs. Davis, who has been air-minded since 1931, has flown in the Bendix and Transcontinental races. She advised young women "to learn to fly or to learn about flying, but don't become the grease-monkey type. Stay pretty and feminine."

Forget Qualms

She urged American girls "to forget their qualms about air travel. After all, in the bird world, it certainly would be a strange thing if only the males flew."

Mrs. Davis learned to fly "when my husband bought a plane. I was afraid I'd be left on the ground, so I went out to the airport and told the pilot I wanted to learn to fly."

6,500 Flying Hours

The personable, petite flyer has logged a remarkable record of 6,500 flying hours. This is due in part "to the time spent as an Army instructor during the War, when I spent 8 to 10 hours a day in the air."

Speaking of the Angel's Flight, Mrs. Davis commented that "possibilities are unlimited, not only in the Air Force, but in the field of aviation." Many aviation executives need secretaries who know something about flying. Advance is swift, both in position and salary.

Talk Intelligently

Noting more immediate advantages, Mrs. Davis said that members of the Angel's "can talk intelligently to be cadets about fly-

'Take' Murder Reveals Star Acting Ability

A fake murder disrupted a Radio and Television News Writing class the other morning.

In dramatic portrayals resembling the Broadway stage, Emily Reynolds, Tuck Moore and Mary Ann Conley enacted a jealous love scene, a pickpocket incident and two murders within two minutes.

As Miss Reynolds and Moore fell dramatically to the floor and Miss Conley killed herself, the class sat in ignorance of the whole performance, unable to realize the purpose.

The purpose was all too plain a few minutes later when the actors left the room.

Instructor Robert McGranahan informed the class that they were to write a spot news story on what just had happened. Within the next few minutes, each student carefully wrote what he had seen. After the stories were turned in, the instructor and actors were still wondering whether the students were in the same room. Imaginations ran rampant with each individual interpretation of the simulated killing.

Indian Nine Travels To Augustana Today

The undefeated Omaha baseball squad is in Sioux Falls, So. Dak., today and tomorrow for a two-game series with Augustana College. The Indians have won five in a row and are trying to better the 11-2 mark run up last season.

Bob Offerjost, who has compiled a 2-0 pitching record, is expected to start the game this afternoon. Other Dick Davis, Chris Salberg and Don Byers will pitch the second game Saturday afternoon.

Next Wednesday, Omaha returns to Municipal Stadium for a game with a always-tough Buena Vista of Storm Lake, Ia. The two teams play a return game in Storm Lake on May 19.

The Indians mound staff is coming through better than expected. It has not allowed a run to the opposition during the last three ball games. Only two earned runs have been scored against the Indians in all the games.

Lack of hitting is still the main problem for the Omahans. Before the second Morningside contest, the team batting average was only .222. Outfielder-pitcher Bill Dufack and outfielder Don Claussen are the only two men who have

Trackmen Face Full Schedule

The track squad has a full schedule the next two weeks with meets against schools at the Wayne State Teachers Relays yesterday, the Sioux City relays today, the Doane night relays May 5, and a dual meet with Peru State Teachers College May 7.

In the Wayne relays, the team hopes to equal or better the meet records in the mile relay, the sprint medley relay, the 880 and the shot put. The Indians have bettered the marks on previous meets and hope to repeat.

The team will travel to Sioux City today to be one of the strongest squads entering the Sioux City Relays. The Doane Relays will also give the squad a chance to prove themselves to a large group of colleges in the mid-west.

Baseballers Defeat Morningside 4-0

The Omaha U. baseball team defeated Morningside last Tuesday, 4-0, at Riverview Park. Pitchers Chris Salberg, Dick Davis and Bob Offerjost combined to limit the Maroons to one hit. Salberg allowed it in the third inning.

The Indians garnered only four hits off Bob Hussey of the visitors. Davis clinched the win for Omaha in the seventh inning when he hit a two-run single to give the winners a safer 3-0 lead. Little Bill Duffack maintained his hitting streak when he singled in the seventh inning.

Last Thursday, Omaha edged Iowa Teachers, 4-0, in a game played at Municipal Stadium. Bob Offerjost pitched his second win of the season with a fine four-hitter. Catcher John Wiren turned in a stellar defensive performance.

Track Squad Places Despite Bad Weather

Omaha University's entire traveling squad either placed or contributed to placing at the Drake Relays last Friday and Saturday. On a day splattered by persistent drizzle and blustery winds, the team took one second place, a tie for third and two fifth places for one of the largest totals ever accumulated by OU.

Bob Gerdeman came within a fraction of a second of winning a gold watch as he placed second in the 440 yd. hurdles with a time of .55.2. This may be the highest that an OU athlete has placed in the history of the relays.

In other events Roger Dumbler tied for third in the highjump with some of the finest jumpers in the midwest, and the previously unbeaten mile relay team took fifth place along with the sprint medley quartet in their events.

Iowa Proves Bad

A trip through Iowa proved costly for the University of Omaha's tennis team last week.

The team was undefeated before the trip started, but Grinnell College ended the Indians' five-game winning streak by besting the OU netmen 4-2.

Iowa State, the following day, handed Omaha its second straight

loss 5-1.

The Indians pulled out of the slump by rolling by Drake 6-1.

On May 1, the team will meet Creighton University. They will travel to Lincoln for a match against Nebraska Wesleyan, May, 2, and then journey to Crete, Nebr., and then Sioux City, Ia., for matches against Doane and Morningside, May 9 and May 11, respectively.
